

Christmas: "Celebration"

Giving the gift of Joy to the World.

COM celebrated their 10th anniversary and Angel Tree Christmas party in Dec. 2010. 200+ children, 90 families from 8 communities participated in the celebration. The Elks Lodge #2591 of Wildomar, Jersey's Pizza & Italian Restaurant of Murrieta sponsored the food, Gwen and Terry Clark baked cookies and Wildomar Rotary donated cupcakes. Lucas the Red Headed Santa puppet told the Christmas story bringing to life the wonder and enchantment of Christmas. Dwayne Robinson led the kids in singing Christmas carols.

Davies shared how education helped her to break the cycle of crime, incarceration, illiteracy, lack and poverty off her life. Corporate America paid for her Degrees. God opened doors giving Davies top secret clearances to work on classified military programs for our Nation's government building strategic weapons and stealth bombers. Today, these weapons are deployed around the nations of the world.

Thank you sponsors, volunteers and media for building memories, sharing wishes and making dreams real for these little ones. We wish you a healthy, happy, blessed and prosperous New Year!

Will you help at-risk kids to have a 2nd chance to be winners and champions? We welcome sponsors, scholarships, and volunteers for our year round programs?

Psalm 82:3-4

"Give justice to the poor and the orphan; uphold the rights of the oppressed and the destitute. 4. Rescue the poor and helpless and deliver them from the grasp of evil people." Paraphrased: Do not fail to help the orphan and fatherless when it is in your power to do so; because these are foremost in the heart of God.

Celebrating 10 Years of meeting needs and saving lives!

Outreach: "Restoration"

Stop the bleeding and meeting felt needs.

Breaking the cycle of crime and incarceration off children of prisoners, at-risk and needy kids. Imparting purpose and vision making dreams come true for a prosperous future and destiny.

Thank you Third District Supervisor, Riverside County Jeff Stone and Lori Stone - Chair Woman for the 2010 Race for Humanity matching grant and "Recipient of the Year Award" for deserving non-profits that supply life saving services to children and women in dire circumstances. Proceeds benefit one week summer camp scholarships for kids who deal with the loss of absent parents on a daily basis.

Camping: "Intervention"

Teaching kids right from wrong to be future champions!

Campers receive positive reinforcement, recognition and have challenging opportunities to grow, improve social skills, make new friends, build their self-confidence, and connect with faith to see that they are gifted. They are stimulated to read, memorize Scripture, sing, act, dance, play sports and earn points for their dorm team. Camping is where they get vision from God for the future and the formula for success to make dreams come true.

Mentoring: "Direction"

Giving kids purpose, destiny, prosperity and a winning spirit!

Mentoring connects kids with caring adults who can lead them toward healthy and productive lives. Here is Mentor Lindsay Shepardson of Wildomar making a positive difference in the lives of at-risk girls. Lindsay says, "I do my best to be "that" person they come to for advice and answers when someone offers them drugs, or when they are scared." For the past three years, I have hosted a Christmas slumber party for my girls. The party begins with a trip to In-N-Out Burgers, looking at Christmas lights, baking and decorating Christmas cookies. These kids deserve to have someone to lean on and a friend to laugh with! "As a mentor, coach and listener, it feels good to have such great friends and raise their expectations for a prosperous future!"
